

IEEE CHIPS SUMMIT DRESDEN 2025 Startup Call

May 14 – 15, 2025

Dear Startups,

come and participate in a new beginning in chip design and application exhibition and exchange at the **1st IEEE Chips Summit Dresden 2025**! Join us at **Messe Dresden, Germany** on **May 14–15, 2025**. Exclusive **speakers** from industry leaders, academic visionaries and tech enthusiasts, and an **exhibition** give you the opportunity to see and be seen and engage in sharing your revolutionary ideas. Explore emerging trends and discover exciting business prospects.

Apply for the opportunity to pitch your company in front of a large audience of 200 industry executives from major chip manufacturers, design houses and IoT producers world-wide!

Startups within the field of chip design and fabrication are warmly invited to apply **with a pitch deck** by **February 15, 2025**, to michael.raitza@barkhauseninstitut.org. We are happy about any information on your plans in advance via e-mail. Feel free to contact us first and send the pitch deck later. The applicants, selected by our jury, will get a prestigious **3-minute keynote pitch slot** on **May 14/15, 2025**, and a pitch training by our partner **HighTech Startbahn**.

All startups, also the ones not selected, will get a **presentation area in our esteemed exhibition** and **two full-access tickets** for the heavily discounted price of 700€ (excl. VAT).

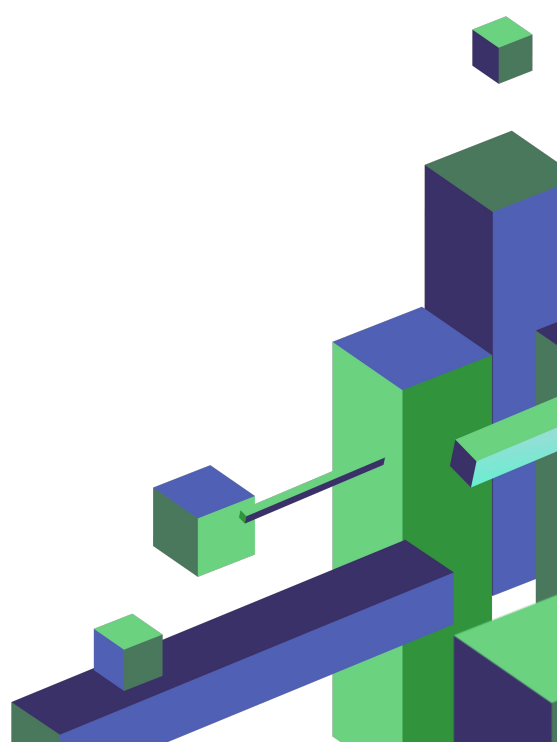

Be part of this new conference around chip design and manufacturing!

Best regards,

Gerhard P. Fettweis

Vodafone Chair Professor
CEO Barkhausen Institut
Coordinator 5G Lab Germany
